Interview Questions for Media Professionals

Please feel free to ask any questions of your own, as these are suggestions to help the dialogue flow. I would be happy to answer questions you provide!

Quick Response Questions:

- * Is there a gender difference among those who cheat (or have affairs)?
- * Can the majority of affairs be avoided?
- * Do men and women actually want different things from a relationship?
- * Everyone talks about “communication” problems; what’s that all about?
- * What causes couples to disconnect?
- * What is your theory on those who wait until after 4 years of dating to get married?
- * Is it true, that it’s not always the man complaining about a lack of sex in the relationship?
- * How often is sex the reason for a break-up, affair or divorce?

Moderate Length Response Questions:

- * With all the relationship self-help books out there, what made you write: *The Relationship Guide: Igniting Love & Intimacy*, after your first book *Seize That Total Connection*?
- * What is different about *The Relationship Guide*?
- * What do you mean about safety between couples?
- * What makes vulnerability so difficult for couples, yet so crucial is helping reignite relationships?
- * Why is it that so many couples wait to seek help after an affair, or a divorce is filed, and not before?

Lengthy Response Questions:

- * What are some stories you can share of issues you have dealt with in your office?
- * Why is it, that losing one's identity is a relationship killer?
- * What causes men to lie?
- * Do men or women really have sexual hang ups, and what are they?
- * How damaging are insecurities in a relationship? Are they justified at times?
- * Why do couples / people wait so long before seeking help? (Money / Privacy)
- * What are you hoping that Love's Essence: The Relationship Guide offers to couples and Individuals?

Please feel free to ask any questions you feel fitting, or expand on the above examples
